

Port Adelaide Environment Forum

Thursday 20th October 2016

7pm – 9pm

AGENDA

FROM FOODWASTE TO GARDEN PRODUCE

A new Compost Network in our region brings together businesses, schools, home and community gardeners. Volunteers gather food scraps for recycling from restaurants, cafes and food retailers, reducing the amount of waste going to landfill. Children discover the value of recycling and of food production and its relationship to nutrition, health and fun outdoors.

Come learn about food waste, composting, recycling with worms and chickens, organic gardening, school gardening and cooking programs, from members of this fabulous Network.

Port Adelaide Enfield Council Town Hall

34 Nile St, Port Adelaide

Free event. All Welcome

No bookings required.
