CONSULTATION: WASTE STRATEGY

How do we reduce and manage waste in environmentally responsible and sustainable ways? Dr Chris Colby, a well-respected waste management expert, is developing a longer term Waste Strategy for the City of Port Adelaide Enfield.

Dr Colby will share some of his ideas of what's important to consider, indicate what local businesses and industry are saying about waste management and invite you to share your ideas, experience and knowledge to inform the Strategy.

Port Adelaide Enfield Council Town Hall

34 Nile St, Port Adelaide
