

PORT ADELAIDE ENVIRONMENT FORUM

THURSDAY NOVEMBER 16

7PM - 9PM

MAKING BETTER USE OF PUBLIC SPACE

How do we make better use of open space - our public realm, streetscapes, parks - in our urban environments?

We can do so by focussing on biodiversity, health and wellbeing, green infrastructure, quality design and urban heat island effects.

Heath Edwards, from Swanbury Penglase is a member of the Australian Institute of Landscape Architects and advocate for quality urban and landscape design, and will address the Forum.

Port Adelaide Enfield Council Town Hall
