

# **PORT ADELAIDE ENVIRONMENT FORUM**

**THURSDAY OCTOBER 19**

**7PM - 9PM**

**SMART WATER SOLUTIONS FOR**

**OUR HOMES AND BACKYARDS**

Water sensitive urban design can enhance new and existing homes, while providing environmental benefits to our rivers and coast.

Learn how we can harvest and re-use rainwater, install infiltration systems, raingardens and/or vegetated swales and permeable paving. Also learn what to consider if you're planning a new build.

Mellissa Bradley from Water Sensitive SA will address the Forum, providing the detail you need to make water sensitive urban design work at home.

**Port Adelaide Enfield Council Town Hall**

**34 Nile St, Port Adelaide**

Free event. All Welcome

No bookings required.
