

# **PORT ADELAIDE ENVIRONMENT FORUM**

**THURSDAY AUGUST 15, 7PM - 9PM**

## **GREENING OUR BUILT ENVIRONMENT**

Trees are essential elements of modern urban design providing valuable shade and supporting local wildlife.

Their nurture, given global warming, is critical.

Hear from Dr Tim Johnson, City of Mitcham how horticulture and civil engineering interact e.g. in selecting tree species and trialling water sensitive urban design to make the most of stormwater.

**Port Adelaide Enfield Council Town Hall**

**34 Nile St, Port Adelaide**

Free event. All Welcome. No bookings required.
