

PORT ADELAIDE ENVIRONMENT FORUM

THURSDAY MAY 16, 7PM - 9PM

REHABILITATING DRY CREEK SALT FIELD

At the Dry Creek Salt Fields, tidal waters are being reintroduced so mangrove and saltmarsh wetlands can return, supporting important shorebirds and creating opportunities for future carbon storage.

Hear progress of this encouraging project from Jason Quinn, Department of Environment and Water.

Port Adelaide Enfield Council Town Hall

34 Nile St, Port Adelaide

Free event. All Welcome. No bookings required.
