

PORT ADELAIDE ENVIRONMENT FORUM
THURSDAY 18 JULY, 7PM - 9PM

Taking action to GREEN OUR CITY

This month's Forum includes a series of presentations showcasing local urban greening activities being delivered by the community and the City of Port Adelaide Enfield. James Hayter, Past President of the International Federation of Landscape Architects will present some international and national case studies. The presentations will be followed by a workshop focused on identifying what actions we can take to green our city now and into the future.

Free event. All Welcome
