

PORT ADELAIDE ENVIRONMENT FORUM

THURSDAY AUGUST 16TH

7PM - 9PM

EMERGING USE OF HYDROGEN

Hydrogen is as an alternative energy source, a potential fuel for domestic and commercial use and could reduce Co2 emissions.

Australian Gas Infrastructure Group will address the Forum; they will be constructing and operating a demonstration project, to produce hydrogen from renewable energy at Tonsley.

Hear about these developments including questions of safety, storage, distribution and the economics of Hydrogen as a fuel.

Port Adelaide Enfield Council Town Hall

34 Nile St, Port Adelaide

Free event. All Welcome

No bookings required.
