

PORT ADELAIDE ENVIRONMENT FORUM

THURSDAY MARCH 15

7PM - 9PM

HEATWAVES: IMPACTS AND RESPONSES

Heatwaves affect our bodies, homes and suburbs. How do we best respond?

Maggie Hine from the City of Port Adelaide Enfield will present key findings from the AdaptWest Heat Mapping Project, undertaken in summer 2017.

Dr Genevieve Gabb, a medical specialist from the Royal Adelaide Hospital, will share her experience and research across seven years of local data of heat stroke and health outcomes.

Join the workshop/discussion of what solutions/actions are needed by our City and our community.

Port Adelaide Enfield Council Town Hall

34 Nile St, Port Adelaide

Free event. All Welcome

No bookings required.
